* Not just Power... People too!

DON'T MISS THIS HISTORIC LIGHT SHOW!

The PowerGen Up-Lighting Event – “Farewell to the Silver Sentinels of Port of Spain”

After six decades of watching over the city, the Port of Spain skyline will be changed. The four stacks – “the Silver Sentinels” at our Port of Spain Power Station, will begin to be demolished next week as part of Phase 2 of the PowerGen POS Decommissioning Project.

As we say farewell, we will be uplighting the stacks as part of a three-day tribute light show.

The stacks will be illuminated every night this weekend...

From Friday 13th August to Sunday 15th August, 2021 from 7:00 p.m. to 6:00 a.m.

Join us virtually to witness when the lights go on this Friday 13th August, 2021 at 6:00 p.m. live on our Facebook page – pgcpowergentt
